doubt not a suitable monument will be -On Wednesday the Mayor appointed Captain Crawford Large and Wm. Rennick as members of the police force for the Harbor precinct, and the new members of commenced their duties immediately. There is now a worse class of desperados

To amend section one of an ordinance entitled "An ordinance to amend section one of an ordinance for the re-organization and government of the Fire department of the incorporated Village of Ashtabula. Passed Nov. I. 1855, as amended Jan. I7, 1877; to amend section three of said ordinance passed Nov lat, 1876, and to repeal sections four and eight of anid ordinance, passed April 16th 1879."

Section I. Be it ordained by the Council of the Village of Ashtabula, that section one of the above recited ordinance be so amend ed as to read as follows:

SEC. I. The Fire Department of said Village of Ashtabula, shall consist of one Chief Engineer, and one Assistant Engineer for the Village at large; one capitaln and one engineer for the steamer Neptime. No. 3, and bot exceeding its horsemen; Protection Company No. 1, consisting of not more than 25 men; Lake Eric Company No. 2, consisting of not more than in men; all of which said men except such as are paid by regular salary, shall receive out of the Fire and Water fund of said Village the sum of 25 ets. per hour for the time security spent by each in attending fires, and in time spent in drilling, provided such drill shall not be required or paid for more than soven months in each year, and not to exceed two hours in each of said seven months.

SEC. II. Section one of said ordinance and out-throats at the Harbor than eyer, and to give a weekly report of their deprewould fill a column or more of the Tele-GRAPH. The policemen have received special instructions how to deal with these offenders, and the officers of the Corporation are determined to punish them to the full extent of the law, and if possible to break on Tuesday evening last, was not attended in the ratio of its merits, and more is the pity, for it was instructive, and no one a

could have spent the evening to much better purpose than in listening to him.

ATTERST. H. L. MORRISON. JAMES REED, JR., Clerk. Mayor Be it resolved by the Council of the Village of Ashabula. That the following new side-walks be constructed as soon as the same can be done. That the Mayor notify abutting land owners, and that in default on their part to build said walks within 80 days after the service of said notice on them, that the Sidewalk Committee go forward and construct the same and report, the expense thereof to this Council, that the same may be assessed against said abutting land owners, according to law. treat they might avail themselves of, but, once in a while their errors are heavy and they refuse to hear. The subject-Vital Force—was purely scientific and referred to these bodies of ours, so fearfully and wonderfully made. We had hoped for a better attendance at this second lecture.

Decree in divorce granted to plaintiff, and plaintiff given custody of children and \$100 Judge Laubie is holding court this week and the railroad cases will be tried. The first case expected to be brought on for trial is that of Millard Brown vs. the L. S. & M. S. Railroad Company, which was tried to a jury some terms ago, and the jury were then unable to agree. Sentinel.

The Sentinel of Saturday mentions the removal of Ray Loomis from the county jail to the Cleveland Hospital for the In-Loomis has been under indictment for burglary, since last Fall. It is thought he is insane, yet some still have doubts on that point. The Jefferson Gazette of Friday notes

the death of John Piper, of Cherry Valley, last week, at the raising of a barn frame for C. M. Giddings, of that town. Mr. P. was hit upon the head by a rafter which fell from the frame, causing his death in about three hours. A letter to the Jefferson Gazette from

John Burke, a convict from this county streets for a sewer through said streets was taken from the table and referred to a coma year ago. The writer says Pooler is at mittee composed of the chairmen of street and sidewalk committees and the Solicitor, with instructions to report at next meeting.

The Mayor appointed Crawford Large as that "Ote's" wickedness has departed with his superfluons flesh,

A Pen Worth Recommending.

We have been favored with samples of the celebrated Spencerian Double Elastic Steel Pens, and after trying them feel jus tifled in highly commending them to our readers. They are made of the best steel, and by the most expert workmen in Europe, and have a national reputation for certain desirable qualities which no other pens rion. It is thus quite natural that the fion. It is thus quite natural that the Spencerian should be preferred and used by professional penmen in business colleges, follow it. Thus the stendiness of his professional penmen in business colleges, counting-rooms, government offices, public schools, and largely throughout the country. Indeed, so popular have they become that of the "Number One" alone, as many as eight millions are sold annually. The Spencerian pens may be had, as:

rule, from any dealer; but when not thus obtainable, the proprietors, Messps. Ivison, Blakeman, Taylor & Co., the well-known publishers 188 & 140 Grand Street, New York, will send for trial, samples of each over corn, poor seed the cause. COUNTY NEWS.

FROM OUR OWN CORRESPONDENTS. CONNEAUT.

Dear old Reliable Tel:-We are all hap py, just on account of the beautiful rain, and everybody is on the astir fransplanting cabbage, sweet potatoes and tomatoes. Full double the amount of tomatoes are being set this year than ever before. Most of them are contracted for by D. Cummings at 25 cts. per bushel. Master Frank Rieg, son of the Reporter boss, informs me that he is setting two acres. By the way, Frank is a gentleman, as well as a good fellow, notwithstanding his father is a printer and editor. printer and editor.

The big walk, I understand, was a success. Conneant holds the belt. Thurber

won the race. Bell clung to the pole so close he collided with a chair, which caused a slacking in his locomotion. I was not there when the gate money was divided, but suppose it was equally distributed, to-wit: One third to the Y. M. C. A., one third to buy rattlesnake oil to anoint the calves of the boys' legs and the balance to the Chatauqua Lake Literary Society. One day last week Doc. Light noised around that there would be a free show of snagging teeth at his office by the use of italized air. The crowd came, of all grades, and they went to jerking. Just how many teeth were snagged I didn't learn, but the heap of old teeth looked like a stack of rams' horns. And all testified that it didn't that it didn't hurt them any. I inter-viewed a chap who pretended to know what vitilized air was made of; he gave the medical phases. As near as I remember it is composed of Nitrogen, Oxogen, Hydrogen and Holland Gin, and from it was extracted the coloric, carbonic, oxalic, hydraulic and Homepathic which made the all-easing calm called vitalized air. He said great care should be used in putting into tight casks and not to vent it as we do new cider. I thanked him for the recipe, but set him down as more of a wag than a chemist. But, to lay aside all jokes, allow me to say to the reader of the TELEGRAPH, that Doc. Light now has the arrangement to separate a person from a sore tooth without a dread. His price is 50 ets. per tooth, and he don't make a cent on it who only one tooth is drawn, as the gus costs and very creditable in style of delivery him that-50 cts.-per enough to influence

It is more of a query in the minds of the people here at present who the coming man is that will get the appointment of Infirm-ary Director, in place of E. Hammond, de-ceased, than it is who shall be our next ernor. While at the Hub the other day I noticed some ten or twelve applicacess if the public would furnish the money to experiment with. At any rate I know that I, my wife or my mother-in-law can ding public money with more grace and lignity than we can the money we earn y the sweat of our brow.

Mr. Editor, I consider it of more im-

ortance to the tax payers of the county to have a judicious, common sense infirmary di-rector than it is for a Representative to the Legislature. All that I fear in the case is, that another Kingsville ring will be formed. These favors we ask for the people's sake. June, 9, 1879.

NEW LYME.

The road between the New Lyme Station and Brownville Corners, is in its sum-mer beauty, and cannot be surpassed by any four miles of country road, anywhere in the region. Its attractions are increasing and some of those of more recent addition, are perhaps among the most striking.

The fine house put up hast year by Mr. R. The fine house put up hast year by Mr. R. Forman countries a beautiful and striking.

The fine house put up hast year by Mr. R. A failure. Was he not? It will not take a failure. Was he not? It will not take a failure. Was he not? It will not take a failure. Was he not? It will not take a failure. Was he not? It will not take a failure. Was he not? It will not take a failure. Was he not? It will not take a failure. The following causes have been disposed L. Forman, occupies a beautiful and rather commanding site, and is made more atof since our last report:

Philander M. Darling vs. Marshall Capron. This cause was for the collection of certain notes given by defendant to plainroad and across a ravine, which is to landscape beauty of the spot. This building and grounds have been thus devoted ing and grounds have oven thus devoted to educational purposes, by the generosity and public spirit of the citizens of the neighborhood—led off by the liberality of W. C. Deming, Esq., as has been previously noticed. This establishment is a worthy object of pride among the people of that section. The grounds were being brought to a hardenn grade. brought to a handsome grade, as we passed the other day, and the interest

in the work was shown by the numbers thus engaged and the interest manifested in the work. The conception of the enterprise, and the vigor and energy n carrying it to its completion, is com-nendable to the spirit and taste of the cople of the neighborhood. A few dolars, however, spent in securing a larger hare of architectural proportion and design in the building, might have made it a

Mr. O. W. Brown, who by the way has recently been entrenching himself in the happiness of conjugal enjoyments, con-ducts the affairs of the Lebanon Valley heese factory, gave us some idea of it business, the most satisfactory feature of which was the fair prices obtained for its productions, in these times when prices are so much depressed. The first make of a pertion of their cream, for butter making ought within a small fraction of 7 cents. Mr. B. belongs to the Brown family, from whom the Corners take their name as Brownsville—occupying one of the corners, where he has lived in a house of his own building in the early days. His name was enrolled as a patron of the TELEGRAPH the hird one of the four occupants, of the cor-

Judge Deming and lady, who always do about the west and visiting friends, and appears to be making a good thing of it.

a custom which they had long practised at their family gatherings. There were their family gatherings. There were beautiful vases of flowers in quantities sufficient to decorate each grave, which was done by the nearest relative present. This performance was to us impressive and solemn. The people were here dismissed and left for their respective nomes, wiser and happier for this friendly meeting. The Stuits family are too well known in this community to need any eulogy, yet as Jno. Stults, the father, grand father and great

grand father of the present generation of Stulites, was an early settler in Colebrook and for many years a neighbor of the writer, we would like to say a few words in memory of that good man. Wm. Stults moved from Gorham, N. Y., to Colebrook in about 1831. He then owned a large ters. These are good fellows, a tract of land at and near the centre of the &c. They can lie, but won't. town which was at that time an unbroken wilderness, and after seeing his sons-five of whom were then with him-settled on his new lands. He purchased a large im-proved farm next to Dodgeville, which he kept until his death, which took place at his daughter's—Mrs. Edson Hungerford—about 5 years since. He left 5 sons and three daughters, all of which are still living, and all were present at this family gathering except one, Mrs. Hun orford she not being able to attend. Mothe Stults, who every one loved and respecte had preceded him to the Happy Land. Henry Stults, the oldest of the sons, now 75, was present at the gathering. This was the first family that settled on this new purchase. Then moved to Colebrook in 1830 and built a log house half a mile South of the centre, where he has ever South of the centre, where he has ever since lived. At one time his family—consisting of himself and young wife—were the only family living on the road from Brownsyille to near the centre of Green. Brownsville to near the centre of Green. The Stults family are all first class farmers and are especially noted for their fine taste about their yards and buildings. We de-sire to extend our warmest thanks to our old friend Stults and his aimable lady, for

on this-to us pleasant meeting. June 9th, 1879. B. G. PHILLIPS.

their kind invitation and their warm hos-

KINGSVILLE.

elsewhere than at home. By arrangement 32 graves were properly decorated, beside the 18 mentioned, for whom a monument was improvised, and received due atten-tion. The exercises on the park preceded the decorations. Speeches were made by berry festival in the lecture rooms of the church, Tuesday evening, June 17th. By order of the President, V. M. B. Sec.

There will be a carried from a local carried by the local clergy except in the case of Rev. Mr. Dudley, of the Baptist church, who was substituted by Mr. C. J. Barrett. The music was both martial and vocal. Mr. Dudley of the President, V. M. B. Sec. the stand. Of all the excreises, the reci-tation of the battle of Mission Ridge, by Miss Flora Rawson, had, perhaps, the most thrilling effect.

The auspices of Webster Post gave the

augury of success, though for reason, they were not out in full force. The grave of L. J. Benjamin, having been a member of the Post, was, before leaving, visited and feelingly decorated. A few moments of meditation and a few broken remarks, with

clement say,
No damage hereabouts from frosts, but

got a Cooley Creamer, and regards it as the nicest thing on record.

We have falled to report the death and burial of Mrs. James A. Fickinger. The funeral was on the 27th ult. Much sympathy is felt for the bereaved friends. Mr. Elekinger talks of the press, strongest and finest flavoring at the purest, strongest and finest flavoring talks of two millions of bottles with stamp, for Bisaks and new Soldiers wounded or injured, can now obtain pensions under the new law to do fine and an investigation of two millions of bottles of them are annually manufactured, there are yet housewives who know nothing of their excellence. We believe that they are the purest, strongest and finest flavoring contracts in the works. S. Noyes-our old milk man, has Fickinger talks of going to Colorade in the interest of the government, towards

ORWELL. On Friday night, 30th alt., the new up right part of William Blanchard's house was struck by lightning, knocking the chimney down and tearing up things gen-erally but hurting no one. The same night the house of Frank Bissell was struck and set on fire, but was seen by J. Watters, and put out before much damage was done. Wm. Flowers has embarked in the pump business, and appears to be doing well and

giving good suti Owen and Dan Parker are making bu ter of an excellent quality, that commands the highest price in market. They are using the milk of sixty cows, and have improvised a tread power and use two stal wart dogs to propel the process of churn-ing, which relieves Dan of much weariness
